

Week 2: Serve the Jesus Way

Read: Luke 13; Philippians 2:3-5; Daniel 1-4

- Have you ever had someone you didn't get along with serve you? How did that make you feel?
 - Is there someone in your life who you don't get along with? What could it look like for you to serve them the Jesus way?
- How could you shape your day differently to make more space for opportunities to serve?
- God has placed us all in unique positions. Consider yours. How can you use your position(s) to serve with integrity, wisdom, and faithfulness?

Pray: God, help me to serve the Jesus way. I want to live like Jesus, not hurried, stressed, worried about what others think of me or only focused on my to-do list. Help me to actually SEE the people around me wherever I go and prepare me to be ready for opportunities to make a difference. I need You to help me use my position to serve with wisdom and faithfulness each and every day. I want to be ready to respond when You speak. Amen.
